Sharon,
The EPA Region 6 FRP ID # is: **FRP-06-TX-00626**
Thank you for asking. It makes my life a little more streamline. FYI, If you're wondering, here is the citation in the regulation that requires this information.

Facility owners or operators of a facility that submit changes to a FRP shall also provide the EPA-issued facility identification number with the changes [112.20(d)(3)]

Also, FRP's on CD are best.
Thanks again,
Mike

Good evening, Gentlemen –

You were so helpful with the ExxonMobil Hawkins FRP that I am now coming to you with a second request!

I will be submitting the ExxonMobil King Ranch Gas Plant Facility Response Plan for your review and approval. Would you please provide the EPA Facility ID # when you can?

Thank you in advance for your help!

Best regards,

Sharon Grau
